

Bank Therapist – Role Description

The Role:

This role involves working with recent and past trauma, specifically but not limited to sexual, domestic and relational trauma which the client will have experienced recently, historically and / or vicariously.

As a bank therapist you may undertake remote working, face to face and mobile (based in our satellites – not working in clients homes) OR remote working only – please specify your preference in your application.

You must be available for a minimum of 5 client hours a week, and will undertake short-term (12 week grant-funded) work.

Benefits:

- £25 per client attended session for 13 years and over, £30 per client attended session for 12 years and younger.
- 2 x 30mins case management supervision per month, at £15 per month – you will bear responsibility for your personal supervision.
- Opportunity to work with individuals, groups and families
- Opportunities around training other professionals, talks about our service, trauma and sexual and domestic abuse

Essential:

- Qualified to level 4 standard
- Available for a minimum of 5 client hours a week
- Experience of working with client group
- Experience in working with sexual, domestic and relational trauma, and especially trauma focused phase 1 therapy
- Professional registration with NCS/BACP/UKCP or equivalent
- An understanding of the psychological effects of trauma
- Ability to engage clients with different cultural needs and to deliver counselling that is culturally sensitive
- An understanding of emotional and practical issues which may arise in relation to survivors of trauma
- Ability to develop good therapeutic relationships
- Awareness of the needs of clients from a range of cultures, backgrounds, sexual orientations, disability and religious beliefs
